Division A - General Information

The purpose of this solicitation is to establish terms, conditions and specifications for purchasing sack lunches for firefighters during periods of fire suppression and all-hazard activities for multiple federal and state agencies throughout the Northern Rockies Geographic Area.

The Montana DNRC, USDA Forest Service (FS) and its cooperators, i.e. the Bureau of Land Management, Bureau of Indian Affairs, Fish and Wildlife Service, Idaho Department of Lands and the National Park Service, are hereby authorized to use the resulting pre-approved vendor list in accordance with the terms and conditions set forth herein.

It is anticipated the pre-approved vendor list would be utilized during periods of fire suppression activity that may be considered “non-exigency”.

Non Exigency Example: A fire crew of 50 firefighters has been assigned to a fire. It is anticipated the crew will be on that fire for two weeks. At this point it is known that sack lunches, bottled water, sports drinks and ice will be required each day for the 50 firefighters. In this scenario the established pre-approved vendor list will be utilized.

Exigency Example:

A new fire erupts and two initial attack teams are being dispatched immediately. The crews will need sack lunches, bottled water, sports drinks and ice. Under this scenario it would be expected the crews would procure these items at the location that makes the most logistical sense to speed up the response time and meet the exigency.

Introduction Specific

The purpose of this Invitation for Bid (IFB) is to set up agreements to provide sack lunches for Wild-land firefighting and support personnel in a non-exigency situation. This IFB is to give you the opportunity to furnish your prices for sack lunches. The end result of this IFB will be a list of pre-qualified vendors and the price for which they have agreed to furnish sack lunches. Approximately 3 weeks after bid due date, the results will be posted at <http://dnrc.mt.gov/forestry/fire/business/contractlist.asp>. The list will be per location (city) and price. Government personnel will use the list if and when a fire develops. The following personnel are authorized to place orders under this IFB: Dispatchers, Buying Team Members, Finance Section Chiefs, Procurement Unit Leaders, Contracting Officers and Purchasing Agents.

Under exigency situations there is no guarantee the listed vendors will be called to supply sack lunches. In an exigency situation, factors other than price (such as location, ability to meet timeframes etc.) may be considered prior to placing an order.

PROCEDURE FOR PLACING ORDERS. In order to assure firefighting personnel receive a variety of lunches, a “Primary Vendor list” which will contain up to 50% of the most competitively priced vendors per city or town. I.e. If 16 vendors in Kalispell submit a bid, the primary vendors list will include the eight (8) vendors who submitted the lowest qualified bids- see Bid Form, item #1. The government reserves the right to eliminate any bids which seem excessive compared to the average of prices submitted in any given geographic area. The government employee responsible for ordering will consult the list, phone the vendor who bid the most economic price and inform that vendor of the quantity, selection and arrangements for pickup or delivery. If that vendor is unable to meet the requirements, the vendor next on the list will be contacted etc. The next time lunches are needed, the

next vendor in line will be contacted. For example, in a town with 4 qualified vendors, if the top two vendors are contacted and cannot meet delivery requirements but the number three vendor can, the next time sack lunches are needed, vendor #4 will be contacted first. Then the next time sack lunches are needed vendor #1 will be contacted first. If, in one (1) day, all the primary vendors are contacted and none can meet delivery requirements, vendors not on the primary list may be contacted.

Arrangements for sack lunches will be made by authorized personnel who will confirm the order with a Vendors Invoice Form. The form will be presented and signed by receiving employee. The Vendor Invoice Form will be attached to a legible sales ticket and both will be submitted for payment. The Vendor's Invoice form will not be required if the purchase is being paid for with a government procurement card. Sack lunches will be made in accordance with the following specifications. We will be unable to pay an administrative fee (gratuity or tip) on sack lunches or takeout meals; therefore, your sack lunch price shall be all inclusive.

NON-COMPLIANCE – In the event a vendor supplies sack lunches that do not meet the specifications set forth herein, the government personnel responsible for ordering the lunches shall contact the vendor to explain and document what is necessary to bring the lunches into compliance. If the lunches fail to meet specifications a second time, the vendor will be removed from the primary vendors list.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689).* (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or

commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

(2) ☐ Outside the United States.

(k) Certificates regarding exemptions from the application of the Service Contract Act. (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) [The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(1) ☐ Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4(c)(1). The offeror ☐ does ☐ does not certify that—

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer Identification Number (TIN)* ([26 U.S.C. 6109](#), [31 U.S.C. 7701](#)). (Not applicable if the offeror is required to provide this information to a central contractor registration database to be eligible for award.)
